AQUILA

The senior class each year selects a person to whom they dedicate their prized publication. We considered him to be the most deserving of this honor because he is a favorite of the students and the people of the community. He has gained our respect for the manner in which he treats all students. He is the owner of a local restaurant, and he has kindly and generously opened his door and heart to all. We shall never forget his many kindnesses during the basketball season. His spirited face was always seen in the crowd, and after the game he was always behind the counter with a cheerful smile to cheer us up after a loss or he was in high spirits with a proud smile sharing our happiness after a victory.

This true friend is responsible for organizing and sponsoring the Little League in the Attica community. Through his management and enthusiasm, the younger boys have a chance to participate in an active sport. Because of his willingness to lend a helping hand, his generosity, his loyalty, and his friendship, we, the Class of 1964, proudly dedicate this edition of the AOUILA to MR. GORDON BROWN.
